Stitch red stripes with Fuzzy Stuff first, then apply beads with a cross-stitch so the "hole" lines up vertically.

After all areas are stitched, "rough-up" the Fuzzy Stuff with the eye of your needle.

Graphs are for representation of the rhythm of a stitch, and may not fit the specific, painted area. Unless otherwise instructed, the stitches should be compensated to fit the painted area, appropriately.

Appropriate substitutions should be made for any beads and/or embellishments that may have been discontinued.
