Technique: Apply Beads with
Vertical Cross Stitches

- Apply the beads on the open canvas.
- Your first stitch should be a classic tent stitch (coming up in the lower left hand hole, going through the bead, and back down in the upper right hole.)
- For the second stitch, come up in the lower right hole, come back through the bead, entering from the bottom, then going back down in the upper left hand hole.

- Stitch the areas between the single lines.

Area: Single Lines

Fibers: Miyuki 11/0 Delica #DB1308, Magnifica #10106

Technique: Line Beading

- Apply beads with a cross stitch so the hole of the bead lines up with the direction of the line.
- Once all the beads are applied, start at one end, and run the beading thread back through the entire line of beads, pulling slightly so the line curves.
