Christmas Lights Crab Starfish Ornament CT-1755

Area: Crab
Fibers: Vineyard Silk #C-007, #C-183, #C-213
Stitch: Tent

Area: Eyes
Fibers: #12 Braid #005
Stitch: Smyrna Cross

Area: Background
Fiber: Sparkle Braid #SK25
Stitch: Lazy Roman Variation

Area: Light Cord
Fibers: Memory Thread #6330, 1ply of either Splendor or DMC Floss

Technique: Couched Memory Thread

- Using a larger needle, open up the canvas hole at the beginning of the light string.
- Plunge the Memory Thread to the back and anchor with 1ply of either silk or floss.
- Lay the Memory Thread along the painted light cord, and couch occasionally as you go along.
- As you encounter the crab's claws, use a larger needle and open up the canvas hole. Plunge the Memory Thread down, and then do the same on the other side, coming back up.

- At the end, open up the the canvas hole, plunge to the back, and anchor.

Area: Lights
Fiber: Swarovski SS12 Hot Fix Crystals
Technique: Use appropriate Hot Fix tool to apply the crystals.

If Hot Fix Crystals are not available or not desired, apply either sew-on flat back rhinestones or a Smyrna Cross in an appropriate colored metallic thread.

Graphs are for representation of the rhythm of a stitch, and may not fit the specific, painted area. Unless otherwise instructed, the stitches should be compensated to fit the painted area, appropriately.
